STAFF REPORT

TO: Planning Commission

FROM: Robert Massarelli, Community Development Director

SUBJECT: Reformatted draft cannabis cultivation ordinance

DATE: February 5, 2018

ATTACHMENTS: Draft Ordinance

Attached please find the draft cannabis cultivation ordinance. The substance of the ordinance remains mostly unchanged, however, it has been significantly reformatted for clarity and to improve its ease of use.

County departments involved in the commercial cannabis permitting process have met on a regular basis to discuss anticipated impacts to their departments and to review the draft ordinance site and use standards. Their comments have been incorporated into this new draft and noted.
